**Who We Are...** We believe in God, family, freedom, fresh ingredients. These are the values that everything on our menu stands for. We are family owned and operated since 1976.

We use only premium grass fed beef and the finest locally sourced vegetables.

Made fresh daily....onion rings, fresh-cut fries, chicken fried steak, home made chili. Nothing goes on our grill till after it is ordered. Watch us cook your onion burgers fresh and hot. Best burgers in Oklahoma (Actually the world but we are being humble!) We would love for you to try Little Mike's Hamburgers just once and you will become a regular customer.
